Guests: Ward Councillor D Winter, 11 Members of Public

### **Members of Public were given 15 minutes to raise their concerns prior to opening the meeting.**

The residents present raised their concerns about the 'Rough Sleeper' known as Ricky in the village. They feel let down by the Authority/Police and do not know who to contact regarding this Anti-Social Behaviour problem. Cllr Munro explained that the ERYC are responsible for Anti-Social Behaviour, he explained about the Community Trigger that had been activated with ERYC and that they are working with the Police, the Parish Council and Ward Councillors to try and resolve the problem. The Parish Council are as frustrated as the residents and suggested a public meeting with all the Agencies to allow residents to ask questions direct to those responsible. Clerk said she will speak with ERYC to arrange a meeting. Clerk has a direct contact number with Rough Sleeper Co-ordinator to arrange for any rubbish etc to be removed as soon as possible and asked the residents to report any problems to her.

Meeting commenced at 7.35pm

- Both Hooks Lane and Main Road have been listed for traffic surveys, confirmation of date has not yet been received.
- Queen's Jubilee – Tree Planting at Cemetery on Friday 11 March 2022 was very successful, Mr Steve Robinson one of the oldest residents in the Parish was invited to help plant the tree which was kindly donated by Cllr Denise Hardy. Ray Duffill was present to take photos and he put an article in the Holderness Gazette. Details will be forwarded to NACO the organizing committee.
- Queen's Jubilee Gala Committee met again on 7<sup>th</sup> March 2022, it was agreed that Plumtree Road Playing Field will be used for the event. A number of stalls have agreed to attend,

Food, drink and ice cream along with a dog show, Golf, Football and traditional games – if anyone would like to join to help with the organization please let me know.

- Thorngumbald Pre-School have applied for grants to pay for the outdoor classroom but as yet have not been successful, they will continue to look for funding.
- We will start to put the 'Jubilee Journal' together over the next week, if anyone has any specific ideas please let me know via email, once this has been done, I will email a draft copy to everyone.
- The 3<sup>rd</sup> Defibrillator in the Parish was installed today, it is sited on the wall of MJ's Chippy in the Shopping Centre on Church Lane. This still needs to be registered and will then be fully operational.
- ERYC forwarded a request (Unable to say from who because of GDPR), asking that the bus shelter on Main Road, Camerton be moved or removed as it is restricting viewing when driving near the junction. I did question this, as the Bus Shelter has been in situ at least 10 years if not more, ERYC said they would contact the relevant person asking them to forward their issues to the PC.
- I completed the relevant paperwork to apply for the 'Omicron' Support Grant, unfortunately due to the funds going into a 'Parish Council' account the application does not meet the eligibility criteria which has been made much tighter than for previous grants.
- Alan Barker, Executive Officer for ERNLLCA retires in June of this year, he will be greatly missed as is a wealth of knowledge, and his replacement is Tom Clay who takes up the role in May.
