.....

Welcome to the Queens Jubilee edition of the Parish Journal

Firstly, I would like to give thanks to all those in our community that have, over the course of the pandemic, helped their neighbours, worked in our public sector services and for the businesses in our Parish remaining open and doing their bit for their community. I would also like to pay tribute to all those who have sadly passed away and to all the families who have lost loved ones due to the devastating impact of Coronavirus.

The Parish journal, as many of you will remember, was suspended owing to the Coronavirus pandemic. However, as the restrictions have now lifted and we return to some level of normality, the Council feel it is time to get the journal out into the community once again, and what better way to start then with the Queen's Platinum Jubilee! We would like to hear from you, let us know what you want to see in the Journal, how you want to receive it, we want your input, email clerk@thorngumbald-pc.org.uk with your ideas.

The Platinum Jubilee of Elizabeth II is being celebrated across the Commonwealth to mark the 70th anniversary of the accession of Queen Elizabeth II on 6 February 1952.

Many events and activities will be taking place throughout the UK and beyond to celebrate the Platinum Jubilee and Thorngumbald will be no exception! The Council, working with residents, partners and businesses have come together to plan the Thorngumbald Jubilee Gala. The Gala is more than just an event for Thorngumbald. It is a chance to bring the community together, to meet with friends, family and to reignite the community spirit we once had. The Gala will be held on the Plumtree Road Playing Field on Sunday June 5th, 2022 10am – 4pm, more information inside along with entry forms for various activities.

As well as the Gala, we will also be lighting the Beacon on Thursday 2nd June 2022 at 9.45pm, this will be at the Amenity Area on the Main Road.

We would also like you all to join us celebrate by decorating your house in bunting and flags

The Gala will have something for everyone, and it would be brilliant to see as many of you there as possible.

That just leaves me to say, thank you again for the support each one of you has shown to one and other over the recent unsettled years, for the outstanding work of our public sector workers and for doing your bit to keep yourself and others safe. Coronavirus has not yet abated, and so we must continue to keep ourselves and other safe whilst we enjoy what I hope is going to be a gorgeous spring weekend that compliments an amazing Gala event.

Cllr Ben Munro
Chairman of Thorngumbald Parish Council

Queens Jubilee Green Canopy

As part of the Queens Platinum Jubilee, Parish Councils throughout the United Kingdom were asked to plant a tree to commemorate Queen Elizabeth 2nd's 70th year on the throne.

The tree, a Mountain Ash or Rowan Tree was donated by Councillor Denise Hardy, the original tree having been donated by Hull City Council in 1993 as part of their scheme to give a tree to every child born at Hull Maternity Hospital.

Denise's daughter Eleanor received this Mountain Ash which has flourished in the garden and produced the sapling that has been donated. Hopefully it too will flourish and feed the birds with its lovely red berries.

The planting took place in the cemetery on 11th March 2022 at 11.00 am.

Mr Steve Robinson previous PC Chairman of the Parish Council and one of the oldest residents in the Parish was asked to help plant the tree with members of the current council looking on.

Names from Left to right are: Cllr Denise Hardy, Brian Russell PC Maintenance, Avril Russell Parish Clerk, Mr Steve Robinson, Cllr Ian Bottomley (Vice Chair), Doreen Auker, Cllr Ben Munro (Chair)

JIM WILLINGHAM

Thorngumbald loses a true Gentleman

The loss of Jim Willingham earlier this year heralds the end of an era that started in the 1800's when George Willingham was the blacksmith at the forge on Main Road. Jim was born at the cottage next to the forge on 26th April 1932 to Howard and Lucy Willingham, Howard also carried on the trade of blacksmith and Lucy became the postmistress.

Whilst serving his apprenticeship Jim did his National service at REME, Combermere Barracks at Windsor. During his time at REME, Jim created a beautiful piece of metalwork for the Barrack gates, which years later Jim's daughter Sue took Jim back to see his handiwork and get a photo with a squaddie. (See photo)

Jim met his wife Joyce whilst they were at Withernsea High School. Joyce was in service and her dad worked on various farms throughout Holderness. They were married on 20th June 1953 and set up home at Forge cottage. Howard still owned the property, but rented space for Jim to have a workshop and eventually a petrol pump. Note "rent", Howard was a true Yorkshireman. Their first daughter Susan came along in 1957, followed by Jane in 1960 Loz (Louise) a "happy accident" came along in 1967, to complete their family. Sue had a son Daniel, a daughter Charlotte and between them they gave Jim four great grandchildren, Sophie, Chloe, Jessica and Owen.

Jim diversified in recovery, being an agent for the AA, RAC and many others. The huge radio mast at the back of the garage enabled the recovery trucks to keep in touch with base. Jim also developed the lorry chassis business, building the first hydraulic truck. In 1984 there was a fire at the garage which threatened to destroy the business, but like the Phoenix it rose from the ashes, better than before, and once again the business thrived, providing a service to the community. After the fire Jim's primary concern was for the elderly folks of Willingham Garth, who had their prescriptions delivered from the Doctors at Hedon, but he was undeterred and made sure there was a dedicated shelf for prescriptions in the temporary portakabin.

The garage shop was a focal point for many residents, especially for the school kids getting off the bus from South Holderness! Quite a few village people also benefited from employment at the garage, Margaret Thorpe and Jean Sayer were two of the ladies I remember working in the shop, many more worked in the garage and on the recovery vehicles. The recovery business also had a satellite branch in Haller Street in Hull to enable quicker recovery for vehicles west of the city.

Jim was always generous, not just with money, but with his time. He supported many sporting activities in the village. I'm sure many of you will have your own memories and stories to tell of Jim's generosity. When Jim finally retired, he kept busy building rabbit hutches, dog kennels and dove cotes, chiefly to keep him from getting under Joyce's feet!

Jim and Joyce were lifelong friends of Steve and Dorothy Robinson, the ladies spending Saturday afternoons in Marks and Spencer's, the following week they would go back to return the previous weeks purchases. Ironically, Jim and Steve became neighbours in later years.

JIM WILLINGHAM Cont'd

In recent years, Jim took in "Rocky the rescue dog" and he became a constant companion. When Jim became unable to take Rocky for a walk, in stepped Doreen Auken who also lives in the village. Doreen became an invaluable friend to Jim as his health deteriorated, taking him for hospital visits along with carrying on walks with Rocky. Jim called Doreen "his pal".

Jim's girls tell me that Doreen was a great help in Jim's last few weeks, sitting with him and comforting him when his dog Rocky died. Rocky's ashes are buried with Jim, which will no doubt cause ructions with Joyce....she hated dogs! As the heading states, Jim was a true gentleman and will be greatly missed

My thanks to Jim's daughters, Sue, Jane and Loz, for sharing some memories of their dad.

Denise Hardy

Ryehill Village Institute

We are sure you are aware, for a number of years there has been an ongoing move for the trusteeship to be transferred in total to a community based group. The current Trustees have now received written confirmation from this group, known as 'RADISH' – Ryehill and District Institute of South Holderness, that they can no longer proceed with this. We as the Trustees have therefore closed this matter.

Anyone wanting to hire Ryehill Village Hall or Thorngumbald Village Hall should contact Thorngumbald Parish Council Office – 01964 601111 for more information

Meet your officers

2 COUNCILLOR VACANCIES

The Returning Officer for East Riding of Yorkshire Council has confirmed that a request to fill 2 vacancies by way of an election have not been received within the prescribed time period, therefore these vacancies can be filled by co-options.

Are you passionate about your community? Do you want to help make a long-lasting change? Do you have innovative ideas for the council? Do you have concerns about a specific issue and want to do something about it? If this is you, then we need you. We need people from all backgrounds and experiences who reflect their community to put themselves forward for election. Make a change and become a councillor. The Role of a Parish Councillor is a voluntary role and is basically to serve your community as best you can and help the Council make decisions on behalf of the community working together as a body. Decisions can only be made at a Parish Council meeting by a majority vote and no individual councillor can make a decision on behalf of the Parish Council.

Meetings are held on the penultimate Wednesday of each month, (no meeting in August or December) at Thorngumbald Village Hall. If co-opted, you will be obliged to complete and sign a Declaration of Acceptance of Office and a Register of Interest. Thorngumbald Parish Council are also Trustees of Ryehill Village Institute, if co-opted as a Councillor you automatically become a Trustee. These meetings are usually held on the same night as a Parish Council meeting.

Anyone wishing to become a member of the council should show their interest in writing to the Clerk at the above address or via email clerk@thorngumbald-pc.org.uk giving details of why they would like to become a member, by no later than **Thursday 12 May 2022**.

THORNGUMBALD BARONS FOOTBALL CLUB – PLUMTREE ROAD PLAYING FIELD

Members of the Parish Council need to hear your views on the proposal below, the Parish Council agree in principal to this proposal but also value your input, please email clerk@thorngumbald-pc.org.uk with your views.

As a club we are looking to the future, to ensure that the village has a football club that can be sustainable and provide opportunities for all to be involved in sport. For us to do this the club is seeking support from the community to develop the facilities on Thorngumbald Playing fields. The club regularly draws more than 150 people, mainly families, to the playing fields to watch the children play matches however, the club has little to no facilities in place to accommodate such numbers. The club regularly encounters the results of antisocial behaviour such as broken glass and vandalism to our already decaying containers. The club passionately believe that if the field is more extensively used for purposeful activity and with increased security the community will see a reduction in the antisocial behaviour that often occurs on the field.

The club have been investigating funding opportunities and with support from HeySmile foundation we are confident that we can secure funding to move forward with our proposals. Through a formal leasehold agreement with the Parish Council the club can have access to a wide range of funding opportunities that currently are not available under the current arrangements. Our plan is to replace the decaying storage containers that we currently use with a brand-new clubhouse that includes changing facilities, community function space and an area to socialise. This will also provide opportunities for community use during the week and at weekends. Secondly, develop a fenced off "show pitch" for an adult team to play in the highest league possible providing football opportunities for children to progress. With improved changing facilities and a clubhouse, the club hopes to broaden participation by developing girls' teams and at least one team at every age group. Lastly, through the formation of a "Trust", the club will be able to seek funding opportunities to improve the playground area of the field providing improved play equipment that can be enjoyed by all the community.

More details of the proposals and plans can be found on the Parish Council website
<https://www.thorngumbald-pc.org.uk/>

BBC RADIO HUMBERSIDE

BBC to award heroes who've made a difference where they live

Local BBC Radio across England wants to award great neighbours, key workers, volunteers and more in Make A Difference Awards

Community heroes who make a difference where they live will be recognised in a new award scheme being run by every local BBC radio station in England. But they need your help to identify people who should be honoured.

It's part of the BBC's 'Make A Difference' awards to recognise remarkable people; marking their achievements and contributions to lives in their communities.

'Make A Difference' was first set up at the start of the first pandemic lockdown and is a virtual notice board for those offering help and those needing support. To date over 8 Million people have interacted across all 39 local BBC radio stations.

Categories cover the unsung heroes of every community from great neighbours, inspirational teachers, awesome volunteers or even outstanding key workers.

There are eight award categories (listed below), nominations are now open and will close on the 29th of April 2022 at 11:00pm.

The winners will be announced at our Make a Difference awards hosted by BBC Radio Humberside at a ceremony in September.

Chris Burns, Head of Audio and Digital for BBC England said: "The last two years have been challenging for everyone. Listeners have contacted us to share the stories of how people have helped each other and we wanted to find a way of celebrating those unsung heroes and telling those amazing stories."

For a full list of categories - and details of how to nominate someone - go to bbc.co.uk/makeadifference, where you can also see full Terms and our Privacy Notice.

Nominations are now open and will close on the 29th of April 2022 at 11:00pm.

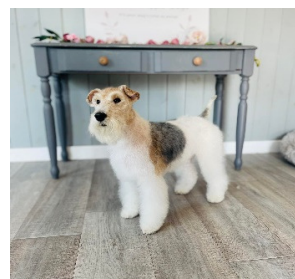

End-

Notes to Editor

For any further enquires please contact jonathan.parker@bbc.co.uk

Categories:

- **Volunteer** Awarded to an individual who makes a real difference to the community by giving up their time voluntarily to help out a charity or good cause.
- **Community Group**
Awarded to a group of people who have helped to genuinely change the lives of others within the community,
- **Fundraiser**
Awarded to an individual or group of people who have gone the extra mile to raise funds for a charity or good cause.
- **Carer**
Awarded to someone who improves the life of an individual or group of people by caring for them on a regular basis.
- **Great Neighbour**
Awarded to an individual or group of people who help to make the neighbourhood or local community a better place to live or work, either on a regular basis or through a single act of kindness.
- **Key Worker**
Awarded to a key worker who's gone above and beyond their call of duty to help others.
- **Environmental Award**
Awarded to an individual or group of people who help to make where we live more environmentally friendly.
- **The Together Award**
Awarded to an individual or group of people who create real change by breaking down barriers and bringing together people from different walks of life for a common cause.
