588. **Clerk's Report:**

- A follow up Public Meeting for updates on Rough Sleeper (Ricky) has been confirmed for Tuesday 24 May 2022 and 6pm. As you are all aware, Ricky was arrested on a number of charges including harassment. Cllr B Munro and myself spent a long day in court listening to the evidence, the final outcome was that he was given a 12 month Conditional Discharge, a victim surcharge and most importantly, served with a 2 year Criminal Behaviour Order. The Order Requires:

The defendant must not:

Live/sleep on public or private land/property (without the owner's permission) in the villages of Thorngumbald or Keyingham.

Urine or defecate in the open air in a public place.

Remain in an area if ordered to leave by a Police Constable, Police Community Support Officer or owner of the land

I have since spoken with ERYC Sam Green and it is agreed that the public meeting should still go ahead so residents can be informed of the outcome and what they can do in the future.

- Jubilee Committee met again on Monday evening to put final details together, meeting to plan the field on Monday evening at 6pm. Members were asked to offer their help on the day to support the event.
- Lighting of Beacon – Due to be lit on Thursday 2nd June at 9.45pm.
- I have received a good response for Commemorative Pin Badges and have allocated over 100 so far and another pile of applications on my desk.

- ERYC Traffic Management have declined to install additional Deer Signs entering the village on Thorn Road stating – ‘In accordance with guidelines issued by the Department for Transport (DfT), for any requests for ‘Wild animals likely to be in road ahead’ warning signs (diag 551) to be considered, we would need to be certain that the road referred to forms part of tracks regularly used by the deer rather than isolated incidents. Also, DfT are looking for us to de-clutter i.e. reduce the number of signs as much as possible as opposed to erecting more’ - (Street History report) back to 1/4/2019. Since then, there has been just one such report ('DEAD' enquiry no. 4022716 logged on 5/2/2020) and no 'OODA' (out of hours) reports.
- Emailed ERYC Terry Weaver Highways, asking him to chase up installing bollards on Marsh Lane, I also sent photos showing that cars parked on the verge making it difficult to pass.
- I have again emailed ERYC David Woodmansey for an update on the installation of the public footbridge from Camerton to Marsh Lane Ryehill, no reply received yet – the last update was he was trying to get a site visit with the new occupier and site engineers.

589. Receive Information:

- A thank you letter from H.A.R.T. confirming receipt of donation of £250.00. This is used to support the local community and is very much appreciated.
- ERYC confirmed that a grant of £500 from the Queen’s Platinum Jubilee Community Fund had been granted. As agreed, this will be used to purchase a bench to sit alongside the Rowen Tree planted for the Queen’s Green Canopy in the Cemetery.
- Email received from ERYC informing of footway improvement works taking place around the village. This was forwarded to members and added to the Website for information.
- Letter from Holderness Health informing that admin staff will be moving to a new building to enable them to deliver improved services to patients. Cllr Ferrier told members that at the last Forum only 2 councillors attended, him and 1 other which was disappointing.
