

THORNGUMBALD, CAMERTON & RYEHILL PARISH COUNCIL

MINUTES OF THE PROCEEDINGS OF A MEETING HELD ON WEDNESDAY 15 FEBRUARY 2023

Present: Cllrs Bottomley, Ferrier, Forbes, Forrester, Kirlew-Morris, Steel, Twidal

Guests: Ward Councillor D Winter

638. **Declaration of Interest:**

None

639. **Apologies for absence:**

Cllrs Adamson, Melia-Craven, Munro, Richardson

640. **Confirmation of Minutes:**

- Clerk's Report, Bullet Point 9 - Building should read builders.
- Minute 636, Bullet Point 2 - 0.06p should read £0.06p.
- The Minutes of the meeting held on 18 January 2023 were then **RESOLVED** as a correct record of the proceedings thereat. Cllr Kirlew-Morris abstained due to not attending the meeting.

641. **Clerk's Report:**

- Ward Councillor David Winter is in regular contact with ERYC for updates, the case is very complicated and a number of teams across the Council are trying to make progress with it, including the Council's public protection and private sector housing officers. ERYC appreciate that for the community there is very real concern about the condition of the land and have given reassurance that they are working hard to try to progress the case. They cannot be more specific at this point in time for a number of legal reasons including data protection.
- Precept application was submitted to ERYC and they have acknowledge receipt.
- Updating risk assessment
- Updating cemetery plan
- Preparing for Year-end audit

642. **Receive Information:**

- Members received Email from ERYC in connection with the proposed Flood Alleviation Schemes in Preston, Hedon, Burton Pidsea and **Thorngumbald** – The link to this has been added to the Parish Website and Facebook page.
- Members were invited to H2H Saltend Public Consultation. Cllr Twidal attended Preston Village Hall on Friday 3 February 2023 and gave a brief update as follows:
 - The project pipes natural gas from Easington to a brown field site at Saltend where it is processed to provide energy. The waste product, carbon, is then piped to an aquifer under the North Sea where it is stored. The contractor involved has used this technology safely and successfully in Scandinavia for over 30 years.
 - The project anticipates construction traffic to be "of low significance" and "not significant" during operation.

- My personal concern is that although this may be the case for this project, when considered in conjunction with other projects in the county increased volumes of traffic could be huge. Steps to mitigate routes through villages are welcome but leave no alternative to the A1033 Hedon Road, which is already in a poor state of repair and congested at peak times. It would be beneficial if ERYC and Highways Agency could oversee the cumulative impact of all projects on the community.
 - My second personal concern is around the political and geological capacity and capability of storing carbon anywhere forever. Investment in research and development to find more sustainable solutions must continue.
- Members thanked Cllr Twidal for her input.
 - Members received email from ERYC in connection with the Community Governance Review.
 - Members received email inviting them to the February Yorkshire Energy Park Community Forum – Cllr Twidal to attend.
 - ERYC – Chairman’s Awards – This was also forwarded to Barons Football Club as there was a ‘Sports Category for Talented Performer.

ERYC – Planning Decisions

- **NONE**

643. To Resolve:

- Website Domain - Due to Cllr Munro not attending the meeting, it was agreed to carry this item over to the March meeting. Cllr Kirlaw-Morris told members he could also look at costs etc.
- Clerk provided members with details of King Charles Coronation Memorabilia. It was agreed that pin badges would again be presented to every child in the Parish under the age of 16. Clerk suggested attending Thorngumbald Primary School and presenting each child with a pin badge, she was asked to speak to the school to get numbers and a date. The remaining children can apply by completing the form which will be inserted in the Parish Journal. It was agreed to purchase 250 badges at a cost of £285.00
RESOLVED.
- Letter from **HART** (Holderness Area Rural Transport) asking if the Parish Council would once again consider supporting the charity. It was agreed to donate £300.00 -
RESOLVED

Planning Application:

- **23/00272/PLF - 4 Grange Road, Thorngumbald - Construction of dormer to front –
RESOLVED**

- **Accounts for Payment**
